2025 NATIONAL TEACHERS CHRISTIAN FELLOWSHIP-TZANEEN

NATIONAL TEACHERS CHRISTIAN FELLOWSHIP
CONFERENCE 2025

Vision

. The Teachers Christian Fellowship aims to foster an environment of love and care in schools for students to strive in.

MISSION

The mission of Teachers Christian Fellowship is to unite and empower Christian educators to share the love of Jesus Christ.

THE CONFERENCE OF 2025 AT LIMPOPO PROVINCE @
TZANEEN HOTEL.

Come and fellowship with us on 26-28 September to understand the integration of Christian values within our education system. There is a lack of values among our learners who are from different background. Learners needs more love and care from God their creator. Our professional speakers for that day will unpack different topics to empower educators from different provinces of South Africa.

All the information about this event is at the bottom of our poster.

President of National Teacher's Christian Fellowship Mrs Tlou Mahlangu

A word of welcome 🌸

Grace and peace to you in the name of our Lord and Savior Jesus Christ.

It is with deep joy and heartfelt thanksgiving that I, on behalf of the entire National Teachers Christian Fellowship (NTCF) family, warmly welcome the Northern Cape Province into our fellowship. This is a significant and joyous moment in the life of our ministry, as we witness the growth of our community and the expansion of God's work among educators across our nation.

We believe that teachers are not only instruments of knowledge and wisdom but also powerful agents of godly influence and transformation in our schools, communities, and the broader society. Your decision to formally join the NTCF is a testament to your commitment to serve Christ faithfully through your calling as educators.

As we come together in unity, we are reminded of 1 Corinthians 12:12 — "Just as a body, though one, has many parts, but all its many parts forms one body, so it is with Christ." Each province brings unique gifts, experiences, and perspectives that enrich our fellowship. Your presence strengthens our national vision to be a light in the education sector, promoting integrity, compassion, excellence, and Christ-cantered leadership.

We look forward to walking with you in prayer, partnership, and purpose. May this new season be marked by fruitful ministry, deeper spiritual growth, and a renewed commitment to shaping young lives for God's glory.

Once again, welcome to the family. May the Lord bless and establish all the work you set out to do in His name.

In Christ's Service,

Ms N Mahlangu. President National Teachers Christian Fellowship (NTCF)

NORTHERN CAPE NTCF VISITATION TEAM REPORT

Isiah 40 v 27, the word was encouraging the saints into trusting in the Lord who gives strength to those who trust in him.

The offering was R440.00 and they left it at that school. Mrs Jubingalo made a vote of thanks and close their sermon by prayer.

Brethren

Our NTCF vision is "To transform schools and education into loving and caring environments for developing learners." Violence is escalating in schools. There is very little that we do to intervene in schools to implement our vision and mission. The violence calls for visible TCF just to be known to be also assisting the government in reducing violence through prayers in schools. Visibility through announcing ourselves as organising prayers will reduce this violence, if of course we believe in the power of prayer. Yesterday, the Gauteng MEC showed desperation when he was interviewed by ENCA that the government does not know what to do. May we engage online on this matter, Brethren. We cannot afford to be silent at this time when we have a powerful and relevant vision for such a time as this.

WESTERN CAPE SCO DAY AT ESANGWENI SECONDARY

On the 11 April 2025 the SCO visited the student of Esangweni Senior Secondary School, a school of Ms Dadasi.

Mrs Jey from Masibambisane Secondary School at Kraaifontein and COSAT Cape Academy of Maths Science and technology Senior Secondary School. Mrs Chelesi from Goodwood AOG.

Mrs Chelesi gave her testimony about the SCO at schools, and she expressed that she was a member of SCO while she was at High School. She accepted Jesus Christ at the SCO prayer meetings, then she grown up until she got married. She encouraged students to carry on pray and preach the gospel of Jesus Christ.

Pastor Fudumele encouraged students to carry on the cross of the lord while they are still young. He advised students to pray everyday during their break time. They must keep up inviting teachers and other students from other school to mobilise SCO.

One of the students share the word of God, his name was Sibulele Dana of Esangweni Senior Secondary School. He emphasised in the Theme of that day "How can a young man keep his way pure?" "By living according to Your Word" Psalm 119:9.

Word of God Mathew 19 verse 16-30.

Vote of thank was Ms. Dadasi.

Closure Mrs Jeyi.

**Welcome Message – Term 3**

Dear Esteemed Members of the National Teachers Christian Fellowship,

Grace and peace to you in the name of our Lord and Savior Jesus Christ.

As we step into Term 3, I warmly welcome each one of you back to another season of teaching, learning, and faithful service. I trust that you had a time of rest, reflection, and renewal, and that you return with hearts full of purpose and hope.

This term presents new opportunities to impact lives—not just academically, but spiritually. Let us remain steadfast in our calling as Christian educators: to shine the light of Christ in our schools, to inspire excellence, and to cultivate Godly values in the next generation.

Our theme this term is "Faithful in Every Season" (2 Timothy 4:2). May we continue to teach with integrity, lead with love, and stand firm in truth—knowing that our labour in the Lord is never in vain.

May the Lord strengthen you, guide you, and bless the work of your hands.

In His Service,

Nancy Mahlangu

President

National Teachers Christian Fellowship.
