

NATIONAL CHRISTIAN TEACHERS FELLOWSHIP 2ND ADDITION NEWSLETTER 2024

WHY TEACHERS CHRISTIAN FELLOWSHIP?

- Parents have entrusted the whole child to the teacher and silently said, "Take this child and nurse him for me,"(Exodus 2:9)
- Teachers are responsible for the development of the whole child, mentally, physically, socially and spiritually (Luke 2:52), with the assistance of the ministers of religion.
- The average lifespan of 70 years, the child spends a third with the teacher as most parents do not have time to teach their children accordingly because they are at work consequently the child lacks Christian influence
- A nation without God's guidance is a nation beset with hatred, racism, sexism, corruption, violence, murder, promiscuity, drunkenness and chaos
- The Lord Jesus commanded, "Go ye unto all the world and make disciples " but for teachers the world comes to them five days a week.

WELCOME NOTE FROM NTCF PRESIDENT N. MAHLANGU.

Dear esteemed teachers.

As we embark on the 3rd term of the academic year. I would like to take this opportunity to extend a warm

welcome to each and every one of you from the Teachers Christian Fellowship. May this new term bring fresh opportunities for growth, learning, and spiritual nurturing.

As educators, we play a vital role in shaping the minds and character of our future leaders, and we acknowledge the dedication, passion, and hard work that we put into our daily work. We pray that God continues to guide and strengthen us as we strive to make a positive impact on the lives of our students.

May this term be filled with joy, peace and success. May our classes be filled with enthusiastic learners, and may our efforts be crowned with fruitfulness. We are committed to praying for and supporting one another throughout the term, and we look forward to seeing the great things that God will do in and through every one of us.
